

### *Color Change Application Checklist*

Please read both sides of the attached application form and complete the specified portion on the front side. Your color change application **MUST** contain the following items and information. Please check off each item as you address it in your application.  
**INCOMPLETE APPLICATIONS WILL BE RETURNED.**

Please provide the following information below or on a separate page.

- \_\_\_\_\_ areas to be repainted (i.e., headers above front windows, trim around garage, front door, etc.)
- \_\_\_\_\_ existing color of areas to be repainted
- \_\_\_\_\_ color of corresponding areas of adjacent homes
- \_\_\_\_\_ style of home (i.e., Victorian, contemporary, etc.)
- \_\_\_\_\_ color of siding
- \_\_\_\_\_ color of roof
- \_\_\_\_\_ color of other painted areas that are not changing color
- \_\_\_\_\_ eight chips of each new color (Each chip should be at least 1" square.)

A chart of McCormick's "Colonial Exterior Colours" is available at the Proprietary Office. These are the original colors used in most of CountrySide. If you are using one of those McCormick colors, you do not need to submit color chips.

**Please see the Community Guidelines Handbook section on COLOR CHANGES for more information.**

## Color Change Application Grid

Address: \_\_\_\_\_

Style of your home: \_\_\_\_\_

Item	Current Color (*current color MUST be stated)	Proposed Color (for item or area of change)
